

THE OAKLAND

About The Property

This classic two-story features a large porch defined by gracious columns as you enter the home. At just over 1,500 square feet each room has been carefully designed to make maximum use of all space. The kitchen features a center island that flows into the dining room where patio doors lead you out to the back yard. To the left of the entry, a spacious great room with fireplace blends into the dining area to create a spacious feel in the home. Three bedrooms lie on the second floor and include a master suite with walk-in closet, dual sinks and easy access to a second floor laundry.
